

cutting through complex

KPMG INTERNATIONAL CASE COMPETITION 2013 | SÃO PAULO, BRAZIL

Your thinking could take you further than you imagined

kpmg.com/kicc

GO BEYOND.
GET TO
BRAZIL.

Experience the fast-paced world of casework, meet new people and travel to places you may never have been before. Network with peers from around the world. Compete among the brightest minds for the global title.

**Rise to the occasion.
Push yourself.
Go beyond.**

Participating in the KPMG International Case Competition can give you a head start in your career. You'll gain valuable real-world experience, learn new skills and have an epic adventure. Experience the fast-paced world of casework and collaborate to conquer complexity. If you get to the top of your national case competition, you'll find yourself on your way to Brazil on an all-expenses-paid trip to the international final.

Get a window into the world of KPMG

KICC is yet another way KPMG's commitment to education goes above and beyond, providing learning experiences through a unique platform that simulate issues faced by organizations worldwide. The feedback you get from KPMG leadership will help you expand your global mindset. KICC 2014 could be the opportunity you've been looking for. Take the leap and see what's possible – you never know what you could achieve or how far you could go.

“At KPMG, we offer new graduates the opportunity to work across geographies and take on highly challenging and groundbreaking work. Most importantly, we give our people the chance to make a difference to international businesses and communities.”

Iain McLaughlin
Head of Global Resourcing, KPMG International

KPMG and KICC quick facts

KICC is one of the largest and well-established case competitions.

In April 2013, 10,000 students from 400 universities across 23 countries came together to participate in KICC.

Since 2007, over 24 countries and 300 students have participated in the KPMG Global Internship Program.

In 2012 KPMG member firms spent US\$281 million on learning and development.

KPMG firms have more than 152,000 people in over 156 countries across the globe, making us one of the largest and most influential professional services organizations in the world.

KPMG provides audit, tax and advisory services to 82 percent of the Global Fortune 500.

KPMG and you

People with passion have the opportunity to go further at KPMG. Our member firms can offer graduates opportunities to explore, advance and inspire.

Learning and development are integral to the KPMG experience, leading to increased personal and professional growth. KPMG people have the opportunity to develop relevant skills via challenging work, talented colleagues and tailored training. They also have access to short- and long-term mobility opportunities that enable them to develop a global mindset via working for prestigious clients around the world.

Advance your career with the support and encouragement you need — from KPMG mentors and career coaches. Working across our global network, stretching engagements and career-enhancing international assignments can accelerate your advancement and offer the reward and recognition that comes with it. On top of that, you'll have the opportunity to make a difference to clients and communities around the world.
