

KPMG Professionals Are...

Individuals who take deep personal accountability for their work, have a passion for excellence, driven to achieve their full potential and understand the value of building relationships with clients, future clients, their communities, the global firm and each other. A KPMG professional should have all the following characteristics:

- Strong work ethic
- Thrive on challenges
- Dedicated to providing outstanding client service

Position Summary:

KPMG International Ace the Case Program

Ace the Case involves a 2-day case writing workshop at a KPMG office near you. The workshop is designed to teach you valuable tools, including how to plan, write, and debrief a case, which will help you succeed at school, in competitions, and even later in your professional career. All this to determine the winning team that will attend the global finals. These elements make Ace the Case truly a once in a lifetime opportunity!

The competition will have three levels. First, a regional competition with the top team from each session of Ace the Case held locally moving on to compete against each other in the National finals. The winning team at the National finals will be given the honour of representing Canada at the *KPMG International Business Case Competition* in Sao Paulo, Brazil on April 1st – 4th, 2014.

Ace the Case in Vancouver will be hosted on **Friday, January 31st and Saturday, February 1st, 2014.**

Aside from being helpful to anyone in business, case-writing skills are even more important for aspiring Professional Accountants, as they are crucial to success on the CFE, the toughest part of the process. Whether you are already a skilled case writer, or have never written a case before, attending Ace the Case will give you the opportunity to see first-hand what a winning CFE preparation course is like.

Ace the Case also provides a great opportunity to mix and mingle with some of our amazing KPMG people and learn what makes us one of the leading professional services firms.

Skills & Qualifications:
