

Experience Community Leadership with KPMG

Experience Community Leadership (ECL) with KPMG is a unique opportunity to volunteer in your community and to experience the Community Leadership culture at KPMG.

At KPMG we empower our people to reach their full potential through engaging with our communities and we want to encourage you to do the same. This program is a great way for you to learn more about your potential future with KPMG and to explore the possibilities of a career with KPMG. You will have the opportunity to build relationships with KPMG representatives and develop skills to help encourage positive change in your life and on your campus.

Our Vancouver office is once again partnering with the BC/Yukon chapter of the Canadian Breast Cancer Foundation to raise breast cancer awareness. In Canada, one in nine women will be diagnosed with breast cancer. The goal of this event is to raise awareness of breast health, support fundraising for research and programs, and to support the local community.

The ECL program is designed for individuals who have not yet been through the recruiting process and who have an interest in beginning their career in public accounting.
