

Skyrocket your career

Looking to give yourself a boost before fall recruit? Join our **Talent Boost** series this summer!

Time to Give your Career a Boost!

To ensure you feel empowered throughout your recruitment journey, we've developed **Talent Boost!** Talent Boost is a series of virtual events that we will be hosting throughout the summer where you can learn more about KPMG and the career opportunities available in Audit, Tax, Advisory and Digital. Each event will feature speakers from KPMG's office in Vancouver who will present on topics, facilitate discussions and be available to answer your questions.

The **June session** will focus on designing your career by exploring your options and understanding the different service lines available. This session will also discuss our hiring timelines for this upcoming fall recruit. See below for further details!

Please note, in addition to this June session, we will be hosting breakout sessions that will be more focused on specific service lines throughout the month of June. Registration for the breakout sessions will be provided at a later date.

Deadline to apply is Tuesday, June 9th, 2020 at 12:00pm PST (noon).
